Multi award-winning prestige car dealership John Holland is excited to offer for sale this beautiful example of a Porsche 911 G50 Super Sport Targa. Introduced in 1984 and officially called the Super Sport or Turbo Look it was a style that resembled the 930 Turbo with wide Wheel arches and distinctive whale Tail, it also shared Turbo stiffer suspension and a superior Turbo braking system, wider wheel arches and wider Turbo wheels. The Super Sport kicked off a Porsche love affair for the wide bodied look for non Turbo 911s a combination that has proved popular ever since. In 1987 Porsche also introduced the G50 model albeit only for a couple of years the model came with a new five speed gearbox sourced from Getrag model number G50 with proven synchronisers, this slightly heavier version also features a hydraulically operated clutch. We have for sale today at our Cotswolds branch a beautiful example finished in Velvet Red with complementing Linen Leather Upholstery piped in Burgundy. This stunning example has undergone an extensive recommissioning to include new Targa seals, rear lights, battery and a service. A truly cherished example with a fantastic history and not to be confused with other inferior examples on the market today.
